# Update

Due to the dramatic increase in the cost of processing **Tin Cans** the Siskiyou Opportunity Center will be unable to accept them as of this notice. We also have **never** accepted newspaper in the blue bags but we still get individuals who do it anyway. As of August 13, 2015 we have stopped accepting newspaper all together because the cost to process it is now more than we can afford. **Please do not put any of the listed items below in the Bluebags.** It is costing the Opportunity Center thousands of dollars in labor to dispose of them. We need your help! We simply do not have the space or resources to do it all.

IF ANY OF THE RESTRICTED ITEMS BELOW ARE FOUND IN THE BLUE BAGS YOU WILL RECEIVE ONE NOTICE. THE SECOND INFRACTION WILL RESULT IN YOUR BAG BEING LEFT AT THE CURB.
